

These are Mr. Idontcare and Mr. Noproblem. They like nature. But they don't care for it.
And this is Andreas. He also likes nature, but he cares for it.
So he says to Mr. Idontcare: Don't leave the waste in the nature!

But Mr. Idontcare is laughing and says: I don't care. What can you do?
Andreas calls the Supereco – power – team.

They are coming.

- But still Mr. Idontcare and Mr. Noproblem are laughing.

Zack!

Boing !

Now you clean !

Now they know, as we have seen, allways keep the nature clean !
